

ILAE - CEA

Improve your level in epileptology by studying in a setting of young international peers with a group of dedicated and experienced tutors!

9th Baltic Sea Summer School on Epilepsy (BSSSE 9), Sigulda, Latvia, August 2-7, 2015

Preliminary programme:

Early morning seminars: EEG in epilepsy (children; adults); seizure semiology; neuroimaging and clinical pharmacology in epilepsy.

Tutorials: ictogenesis, managing the transition from children to adults, neuropsychology, decision making in epilepsy surgery, refractory epilepsy, making the epilepsy syndrome diagnosis, pharmacotherapy, journal club, exercises in imaging, EEG reading, and epilepsy syndromes.

Lectures: pharmacological and non-pharmacological epilepsy treatment, neuropsychology, epileptogenesis, SUDEP, status epilepticus, progressive myoclonus epilepsies, epileptic encephalopathies, epilepsies with encephalopathy, subjective aspects of epilepsy, women's issues in epilepsy, electromagnetic source imaging of epileptiform discharges, epilepsies in elderly, somatic comorbidities.

Organizing Committee: Peter Wolf (Denmark); Normunds Sūna (Latvia) and Rūta Mameniškienė (Lithuania).

Study methods: lectures, tutorials, case-oriented study, interactive group work with video. Participants are requested to bring own cases and encouraged to present own research for peer discussion.

The annual **Baltic Sea Summer Schools on Epilepsy (BSSSE)** are clinically oriented and focused on comprehensive aspects of diagnosis and treatment of epilepsy and provide a platform for transnational research. The open and informal atmosphere of the BSSSE allows easy communication between faculty and up to 40 international students.

Reference: Reports on previous summer schools with evaluations are available on www.epilepsiestiftung-wolf.de.

Target audience: The BSSSE are primarily addressed to medical postgraduates and junior researchers (age usually up to 40-45 years) with a special clinical or scientific interest in epilepsy. Applicants from the Baltic Sea region are given priority but participants from all parts of the world are accepted.

Registration fee: 800 Euro. A substantial number of bursaries will be available.
